

Procedures of Removals

1 Onsite Survey

Our multilingual (Chinese, English, Japanese) moving planners will visit your place and make an estimate on the volume of your items. Also, they will explain about our service and Customs Clearance (for overseas removals).

2 Sending of Quotation

3 Quotation Accepted (Moving Date Confirmed)

4 (Optional) Delivery of Packing Materials

5 Pick-up & Move out

Our experienced staff will carefully pack your items one by one, while our moving planners will assist you in every step of the process, such as completing the packing list (for overseas removals).
